emzone Automotive Refrigerant premium products are specially designed for the repair, maintenance and testing of mobile Air Conditioning systems, replacing R134a and R12 products and their substitutes.

The emzone product line offers quality, value and superior performance resulting in colder vent temperatures, lower head pressure, improved system efficiency and greater gas mileage.

Our 12A products are eco-friendly, non-ozone depleting and system safe. Ideal for car, truck, SUV, tractor, and boat mobile A/C systems.

Aerosol

emzone 12A A/C Cool Refrigerant

emzone 12A A/C Cool Refrigerant is an environmentally friendly replacement alternative for ozone depleting R-12 and global warming R134a products. Non-toxic and Non-Ozone Depleting. Contains high performance oil to improve system efficiency and Universal UV Dye to help with leak detection. System safe.

Cylinder

emzone 12A A/C Refrigerant (Cylinder)

emzone 12A A/C Cool Refrigerant is an environmentally friendly replacement alternative for ozone depleting R-12 and global warming R134a products. The cylinder offers an economical option for professionals. Non-toxic and Non-Ozone Depleting. Contains high performance oil to improve system efficiency. System safe.

Aerosol

emzone 12A A/C All-In-One

emzone 12A A/C All-In-One is a multi-purpose product containing:

- UV Dye for leak detection.
- Oil Charge universal lubricant
- System Conditioner for O-ring seals.

Helps detect leaks, lubricate A/C systems and repair leaks in O-rings and gasket joints. System safe.

Aerosol

emzone 12A A/C Oil Charge

emzone 12A A/C Oil Charge is a universal lubricant and conditioner designed to reduce friction, replace lost oil due to leaks, and increase compressor life. Safe for all systems and will not clog or restrict flow.

4 oz

Aerosol

emzone 12A A/C Dryer

emzone 12A A/C Dryer contains a moisture removing additive that converts moisture in the A/C system into synthetic oil and helps remove contaminants. We recommend the use of emzone 12A A/C Dryer prior to the use of emzone 12A A/C Stop Leak or A/C System Conditioner. This will help ensure all moisture has been removed from the air conditioning system.

Aerosol

emzone 12A A/C System Conditioner

emzone 12A A/C System Conditioner repairs and conditions rubber parts including O-ring seals and gasket joints. Improves system efficiency and helps prevent leaks in these areas. Safe for all systems and will not clog or restrict flow.

Aerosol

emzone 12A A/C Stop Leak

emzone 12A A/C Stop Leak seals leaks permanently in metal and rubber parts, including evaporators, condensers, driers, O-rings, and gasket joints. Improves system efficiency and prevents future leaks. Safe for all systems and will not clog or restrict flow. The 114 g can contains sufficient stop leak to stop minor leaks in 2 lb. to 5 lb. A/C systems.

Aerosol

emzone OdorStop

OdorStop odor neutralizer is designed to tackle tough problems due to moisture accumulation in vehicle vent and A/C systems. Excellent for eliminating odors caused by cigarette smoke, mildew and mold by attacking the problem at the source, circulating throughout the entire system. One time use (total release).

Kit

emzone A/C Deluxe Recharge & Sealant Kit

This emzone kit contains the necessary items to recharge and seal an A/C system efficiently and safely. Contains:

- 2 emzone 12A A/C Cool Refrigerants
- 1 emzone 12A A/C Stop Leak
- 1 Deluxe Recharge Hose (Brass)
- A/C Retrofit Conversion Fitting
- A/C Refrigerant Oil Tester

Kit

emzone A/C Recharge Kit

This emzone kit contains the necessary items to recharge an A/C system efficiently and safely. Contains:

- 2 emzone 12A A/C Cool Refrigerants
- 1 Recharge Hose with Gauge
- A/C Retrofit Conversion Fitting
- A/C Refrigerant Oil Tester

ITEM NO
45715

1/2" Tap

Hose

Recharge Hose with Pressure Gauge

The heavy duty Recharge Hose with Pressure Gauge is suitable for all emzone Refrigerant, Stop Leak and associated products. Use to determine current pressure status of A/C system and ensure accuracy when recharging. The durable brass connectors ensure a safe and secure fit. Includes R134a quick connect. Compatible with R-12 adaptors and A/C Retrofit Conversion Fittings (sold separately).

***Available in bulk (Item no. 45714)**

Cylinder

emzone 134a A/C Refrigerant (Cylinder)

134a A/C Refrigerant is the current standard refrigerant used in new car, truck and other mobile A/C systems. 134a was developed for the newer automobile air conditioning systems that have replaced R-12 systems used in older vehicles. 134a is a non-ozone depleting and non flammable product and offers similar energy efficiency to the no longer available R-12. 134a may also be used both in commercial and residential refrigeration.

Aerosol

emzone 134a A/C Leak Sealant

emzone 134a A/C Leak Sealant with U/V Dye has been formulated to repair leaks, and condition o-rings, automotive air conditioning system hoses, and gaskets. For mechanical leaks, a U/V dye pinpoints the leak so it may be repaired.

Injector

Refrigerant Oil and Fluid Injector

Refrigerant Oil Injector is a premium, screw down injection system with 1/4" Fitting. To inject oil or dye, connect the injector to the low side A/C service port and twist handle. Add snap coupler for R134a use. Capacity range from 1/4 oz. (7.5 ml) to 2 oz. (60 ml).

ITEM NO
45554

Adapter

A/C Retrofit Conversion Fitting

A/C Retrofit Conversion Fittings low side adaptor allows for the servicing of older mobile A/C systems. To be used on low side A/C service port.

Analyzer

A/C Refrigerant Oil Tester

A/C Refrigerant Oil Tester is the ideal diagnostic tool to visually display problems or service requirements with A/C systems. Visual results in less than five minutes. Tests the A/C system for sufficient fluid levels and the condition of the refrigerant oil.
