emzone offers high quality, high-performance Signal Air Horns for both personal and professional use. Our air horns are available in three sizes and include multi-packs to meet the needs of a wide range of consumers.

emzone signal air horns generate powerful blasts which are ideal for marine, outdoor, sports, industrial and personal safety applications. They are recommended for boats up to 12 m (39.4 ft) and are rated at 120+ dB and audible over 1.6 km (1 mile).

Non-Flammable. Ozone Friendly. Contain no CFCs.
